IMPORTANT DIRECTIONS TO CANDIDATES

Teachers are advised to take care that their learners are carefully drilled to carry out these directions. Numbers 3, 4 and 11 below are very frequently disregarded and candidates sometimes suffer a loss of marks in consequence.

1. Be seated in the Examination Room five minutes before the start of the Examination. No talking is allowed once you are in the Examination Room.
2. If an Examination paper for which you are not entered is handed to you, or if the questions indicate that a map or other form should also have been given out, speak to the Supervisor immediately.
3. Attend carefully to any general directions that may be given at the head of a question paper (e.g., Directions limiting the number of questions that may be answered).

4. Write the centre number, and your examination number in the spaces at the top of the Answer Booklet. In addition, write the subject name, subject code number and paper number in the spaces provided on the Answer Booklet. The above information must also be written on any loose papers e.g., maps, graph papers, etc. clear figures in the right-hand top corner of every sheet of writing paper, etc., which you use and the name of the subject as well as your examination number on the first sheet of each set of papers. If you are using an inserted Answer Booklets, you need only write this information on the cover and on any loose maps, graph papers, etc.
5. Leave a margin at both right-hand and left-hand edges. Begin the answer to each separate part of a question on a fresh line.
6. **Do not fold your Answer Sheets / Booklets at any time.**
7. Write the number of the question clearly in the left-hand margin at the beginning of each answer. Do not copy the question. Be careful to use the same system of numbering as it appears in the question paper. Leave a blank space after the answer to each question.
8. Remember that handwriting and spelling will be taken into account. Candidates are required to write their answers in black or blue-black ink. **Red ink must not be used.** Fountain pens or ball-point pens may be used.
9. Candidates are warned that the use of pale blue ball-point pens contributes to illegibility and that if their work cannot be read, they automatically penalize themselves. **HB** pencils **must** be used for answering multiple choice tests and soft erasers should be used. Pencils or ball-point pens in other colours may be used for diagrams only.
10. **Do not use ink to shade the multiple-choice Answer Sheets.**

14. Read each question very carefully. Much time may be wasted in writing down information that is not asked for, and no marks are given for it.
15. Do not spend too much time on one question so as to leave yourself no time to answer others which you are able to answer.
16. **As soon as notice is given to stop writing, fasten any loose papers to the left-hand corner of the Answer Booklet** (this is normally the order in which you answered the questions); see that they all have your examination number written upon them, fasten them together at the left-hand top corner and hand them unfolded to the Supervisor. (If more than one Booklet is used, tie them together) Do not tie your Answer Booklets together so tightly that the pages tear apart when they are turned over.
17. **Do Not Staple Answer Booklets Together.**
18. A candidate who arrives after 30 minutes from the starting time of an examination will not be allowed to enter into the Examination Room. Absolute punctuality is essential.
